HOW TO USE THIS BOOK

"Feathers are Everywhere" is about the symbolism of feathers and finding happiness as a byproduct of what occurs all around us. Feathers remind us there is a silver lining during the turbulent moments that arise. It takes understanding, certain skills, and a little bit of faith to help most individuals see challenges are really opportunities in disguise.

The book is written to inspire you to embrace the obstacles and connect with the greatness that lies within you. It's a personal 'wake-up call' to take action. It's about perspective, perception, and self-empowerment. Not everything will work immediately, but many ideas shared will. The opportunity is to get out of your own way and let the words herein speak to your head, heart and soul.

Throughout the chapters, you'll find:

- A basic introduction to the Law of Attraction
- A powerful Three-Step process that can be implemented immediately
- The Big Three internal voices that interfere with your goals
- Ten Life Principles to enhance your life's blueprint
- Exercises and skills that can be utilized in real time
- Various stories that emphasize the significance of the Law of Attraction
- A fun game for all readers

The book can be used in the following ways:

1. *Feathers are Everywhere* can be experienced by simply reading from beginning to end, highlighting the parts which resonate with you.
2. Choose a partner(s) and read together. Then share ideas and thoughts.
3. Identify your Big Three with a close friend or partner. Then, utilize the Three-Step formula with them. Ask them to hold you accountable.
4. Share with the universe your intentions, goals and aspiration. Create an initial plan, change it accordingly, and be prepared to enjoy the ride.
5. Contact Coach Randy for your complimentary coaching session on any part of this book.
6. Become a facilitator and helps others. Learn about the Law of Attraction and be an expert in manifesting your own goals, thereby helping others as a role model.
